Explanation - These amendments fund the new classroom at the MT
Law Enforcement Academy, increase the appropriation for the
Helena College of Technology, provide funding to supplement the
Great Falls College of Technology project, and fund the MSU
Animal Bioscience Building project. The amendments also remove
the Virginia and Nevada Cities deferred maintenance project and
reduce the Access MT project to $5.5M. Combined, these
amendments net to a $0 change in the NET general fund transfers
contained in this bill.
